 FHR Institute for Higher Education

# MASTER OF ACCOUNTING PROGRAM (MoA) 2021 – 2023 WITH A FOCUS ON IFRS COMPLIANCE

## FHR Institute for Higher Education (FHR)

FHR's mission is to contribute to an educated society by providing students in an ethical and learning environment with higher education at international standards to develop and strengthen their professional competences in management, accounting, governance, business and law.

## Maastricht University School of Business and Economics (MUSBE)

Maastricht University School of Business and Economics provides high-quality education to students and conducts excellent research, offering an international perspective in the fields of economics and international business administration. MUSBE's mission is to educate and train undergraduates, graduates and professionals to function effectively in careers in international business and economics, and to generate ideas that advance economic and management knowledge and practice.

## The Mission

The Mission of the Master of Accounting (MoA) program is to prepare highly competent accounting professionals capable to apply accounting and business knowledge for the betterment of organizations and for the public good.

### Learning objectives:

- Knowledge of the principles and concepts of accounting;
- Ability to obtain knowledge and understanding structured to solve complex problems;
- Critically evaluate financial statement information;
- A professional and responsible attitude about the social and ethical aspects of business and science;
- Mastering self-study techniques and critical reflection.

### Learning outcomes:

- Integrate advanced theoretical and technical accounting knowledge in a business context, including an understanding of developments in accounting and accounting research;
- Exercise judgement under minimal supervision to analyze and provide possible solutions to emerging and advanced accounting problems in complex contexts;
- Present and explain results from financial reports.

### Program Curriculum

Leveling program	Core	Context	Skills	Performance
English	Management & Financial Accounting	Organizational Behavior & Leadership	Subject Research Workshop	Master Thesis
Academic Skills	Financial Reporting & Analysis	Strategic Management Accounting and Control	Research Methods workshop	
Foundations of Business Finance	Management Information Systems	Corporate Governance	Thesis Workshop	
Foundations of Micro-Economics	Advanced Financial Accounting	IFRS Master Class (2x)		
Foundations of Accounting	Financial Risk Management			
Foundations of Quantitative Research Techniques & Statistics	Auditing & Assurance Services			
	Corporate Finance			

### Program structure

The program consists of 60 ECTS and is lectured over 2 years in 10 modules, 3 Workshops, 2 master classes and a Thesis. The modules are characterized as core, context and skills.

### Mode of Delivery

In-class lecturing is from Monday till Friday from 18.00 - 21.30 hrs. and on Saturdays from 09.30 - 15.00 hrs.  
In-class exams are on Saturdays from 09.30 - 12.30 hrs.  
Class attendance is compulsory.  
Due to the Corona Pandemic, classes are currently online spread over 2 weeks from 17.00-19.00 hrs.

### Assessment and completion

Assessment of performance is based on written examinations, class presentations, group and/or individual written assignments, test results and class participation. The passing score for any subject is 55 or above. To complete the program the participant must write a Master Thesis on individual basis and defend it successfully.

### Title upon completion

Master of Accounting (MA) granted by FHR institute for Higher Education and certified by the Maastricht University. The Degree is Nationally Accredited by Nationaal Orgaan van Accreditatie (NOVA) and Internationally by International Assembly of Collegiate Business Education (IACBE).

"FHR HAS CONTRIBUTED TO MY LEARNING PROCESS BY PROVIDING RICH, DIVERSE AND THOUGHT-PROVOKING EDUCATION THROUGH EXCELLENT AND INNOVATIVE TEACHING. THE INSTITUTE CELEBRATES SUCCESS, SUPPORTS PERSONAL AND PROFESSIONAL DEVELOPMENT AND CONTRIBUTES TO BUILDING A WELL-FUNCTIONING AND PROSPEROUS SOCIETY."
